## PUT AN EDISON MAZDA LAMP IN EVERY SOCKET

Edison Mazda Lamps represent the highest development in incandescent lamp manufacture. Strong and durable because of their rugged drawn wire filaments, they may be used with absolute satisfaction under all conditions. Their light is clear, white and even, and in quantity is three times that given by the old, obsolete carbon lamps.

We are headquarters for all types of **EDISON Mazda Incandescent Lamps**. Descriptive pamphlets on the subject will be mailed upon request.

Wholesale Only Send for our illustrated catalogue of electrical supplies

The Campbell Funeral Churches, non-sectarian and completely appointed, are at the service of our patrons without charge.

Our motor equipment includes Private Ambulances, Hearses and Limousines, at rates about the same as for horse-drawn conveyances.

IN THE VERY CENTER OF THINGS

- Within literally one or two streets of the midtown business skyscrapers, and with an underground passageway leading directly to the Grand Central Station, where the city's network of subways converges.
- Fifth Avenue one block away, the brilliant theatre district two or three. And yet, one of the most charming, quiet, homelike hosteleries in the country.
- You, your wife and your family could not possibly have a more distinguished address while stopping in New York.

Special concessions will be allowed, as usual, to those making a prolonged stay.

Advertising is the road to better business. As every salesman knows, the secret of successful salesmanship is knowing what to say and how to say it. This is a more difficult task for the advertiser because the personality of the salesman and a concrete sample of the article are lacking. He must overcome this handicap by having an attractively arranged advertisement, which will emphasize clearly the most important points and advantages of the article for sale.

Our department of Design and Display is at your service and we will gladly offer suggestions and submit samples at your request.

## THE SELLING FACTOR

The thing that takes paper and ink out of the class of Printed Matter and makes it a Printed Salesman—that gives it selling force and the ability to pull orders—is the illustration. Good plates, clear and accurate in detail and artistic in treatment—these are the first essentials of good printing, and without good printing there is no good advertising.

## WE ARE PHOTO-ENGRAVERS

and make plates by every process—line or half-tone for black or color work, all up to the best standards and at prices as low as reliable work can be done for. Our plant and our advice are always at your service. A consultation with us may save you errors and money in the plates you need. Come and see us or Phone No. 2117 Chelsea, and our representative will call.
